

Class 5

Lesson plan 2

- **Class duration:** 40 minutes
- **Lesson objectives:** The students will learn-
 - to name the days of a week
- **Materials:** NCTB Textbook Unit 1 lesson 1-2, coloured papers, markers.

Steps	Activity	Time
Step 1	The teacher enters the classroom and says “good morning” to students. The teacher encourages students to say “good morning” in return.	5 minutes
Step 2	The teacher then reviews the previous class and writes students’ responses on the board.	5 minutes
Step 3	Next the teacher divides the students in groups of 3 or 4, and gives each group blank paper sheets of 7 different colours, markers, staplers and paper calendars. Students are supposed to take help of the calendar and write the names of seven different days in seven different coloured papers. Once they are done with writing they will staple the papers one after another and create a chain of days.	15 minutes
Step 4	Once the time is up the teacher selects two or three groups randomly and tells them to come in front of the class to present their chain of days.	10 minutes
Step 5	The teacher tells the students that they will be asked about the days of a week in the next class. The teacher then ends the class by saying “goodbye”.	5 minutes
